

Turks & Caicos Live Aboard Dive Trip

1/6/2018 to 1/13/2018

(Saturday to Saturday)

With up to 5 dives daily including night dives, the vessel boards in Providenciales on Saturday and offers 5 1/2 days of diving for the week. We plan to explore the 5 different black coral species at Black Coral Forest, the reef sharks of Provo's Shark Hotel, the deep-water gorgonians of G-Spot, and the spotted eagle rays of Double D, along with a multitude of other dive sites along the region's plunging walls.

\$2,770/diver*

Deduct \$75 when paying by cash or check
